ARGEST CITY CIRCULATION DESERTED.

The river flowed with the light on its breast,
And the waves went oddying by,
And the round red sun went down in the west,
When my leve's loving lips to my lips were

Driest,
Under the evening sky—
Now weeping alone by the river I stray.
For my love has left me this many a day i
Left me to droop and die.

At the river flowed then, the river flows still,
In ripple and foam and spray.
On by the church, and round by the hill,
And under the sluice of the old burnt mill,
And out to the fading day;
But I love it no more, for delight grows
sold
When the song is sung and the tale is told
And the heart is given away.

Oh, river, run far! Oh, river, run fast! Oh, weeds, float out to the sea! For the sun has gone down on my beautiful And the hopes that like bread on the waters I

Rave drifted away like thee! So the dream it is fled, and the day it is And my lips still murmur the name Who will never come back to me!

The prospect for peace is based on the belief of concessions on the part of Austria. The probability is that the European Congress, as reported from Vienna last, had raised troops for Mexico. The steamers Imperiale and Eugenie, from Mexico, have arrived at Vienna with troops and nine million francs, including three million for the French Treasury from New Orleans.
